

## Discipleship Covenant

“Be watchful, stand firm in the faith, act like men, be strong.” 1 Cor 16:13

Discipleship is about spurring one another on to more fully reflect Christ – sanctification. The only surefire way to learn how to reflect Christ is to know how to properly study the Word of God and then do it. That is our calling as men – to reflect Christ to a dark world no matter the storms and forces that push back. The calling is difficult. Thankfully, we are never alone in that calling as we are on this journey together and we are forever safe in the hands of God.

I will commit to the following expectations:

- I will meet with my discipler at least every other week.
  - Weekly is ideal
  - Plan for a minimum of 1 ½ hours for face-to-face discipleship
- I will come to discipleship meetings with all work done in advance and with an attitude of humility ready to learn and contribute.
- I will be transparent, trustworthy, and hold all conversations in confidentiality. In turn, my discipler will do the same.
- Growth takes time and commitment. With that in mind, this discipleship relationship is for an indefinite time period.
- Discipleship is about growth and replication. In due time, my discipler and I will begin to discuss when the right time is for me to begin discipling others.
